Induction for First Semester students was conducted on 2nd March, 2021 by CONNECT Group, Dharwad in the College. The day was divided into two sessions- motivation and corporate skills. Two resource persons from the CONNECT, Mr. Mahesh Masal and Mr. Om Kiran held the sessions.

First session started at 9.30 AM, which was held by Mr. Mahesh Masal. He is a great motivator and industrial trainer. He gave several real life examples of such people who are under-privileged and unprivileged, yet have achieved greatest things in life. He also stressed on daily life struggles like how to react in certain uncertainties, how to overcome failure, fear, frustration, anxiety, anger and depression. H also helped the students in understanding the level of efforts required to survive in the real life scenarios. This session helped students to change their attitude towards life and become more optimistic.

Second session started at 2 PM after the lunch. Mr. Om Kiran held this session. He conducted several management games and activities for the students in order for them to learn group etiquettes, team spirit, management skills like time management, leadership skills, communication skills and coordination. He focused more on English communication and helped the students in understanding how they can learn English or any other language with a strong determination and regular usage. Students enjoyed the games along with the learning.

Breakfast, lunch and tea were provided to the students. Entire day was fruitful and was enjoyed by the students.
