1.3.1 WORKSHOP ON TALLY BY MR. SHIVAKUMAR M

1st AND 2nd DECEMBER, 2019

A two-day workshop on Tally was conducted for the students of M.Com III semester on 1st and 2nd December, 2019. The resource person was Mr. Shivakumar M. This was an additional input for the students for their course as they had Accounting Information System as a part of their syllabus.

Tally, being an important aspect of the Accounting Information System in any corporate, the input from a professional trainer would be of a great help for the final year students. The intention behind the workshop was to make the students understand the theoretical as well as the practical implications of Tally in the corporate world. The students were much benefited by the workshop and gave a positive feedback. That made a good end of a semester for them.

WORKSHOP ON TALLY BY MR. SHIVAKUMAR M
