REPORT

IQAC Initiative, Anti Ragging Club, Anti Sexual Harassment Cell and Legal Aid Club jointly organized an awareness programme - **GENDER EQUALITY** on **17 November 2021** The programme began with the college prayer led by Miss. Vaishnavi Kulkarni. Dr. S. V. Hegdal, Programme Coordinator, welcomed and introduced the resource person.

The Resource Person Mrs. Anusha G, **Assistant Commissioner of Police** said, that Equality or non-discrimination is that state where every individual gets equal opportunities and rights. Every individual of the society yearns for equal status, opportunity, and rights. However, it is a general observation that there exists lots of discrimination between humans. Discrimination exists because of cultural differences, geographical differences, and gender. Inequality based on gender is a concern that is prevalent in the entire world. Even in the 21st century, across globe men and women do not enjoy equal privileges. Gender equality means providing equal opportunities to both men and women in political, economic, education and health aspects.

Importance of Gender Equality A nation can progress and attain higher development growth only when both men and women are entitled to equal opportunities. Women in the society are often cornered and are refrained from getting equal rights as men to health, education, decision-making and economic independence in terms of wages.

The social structure that prevails since long in such a way that girls do not get equal opportunities as men. Women generally are the caregivers in the family. Because of this, women are mostly involved in household activities. There is lesser participation of women in higher education, decision-making roles, and leadership roles. This gender disparity is a hindrance in the growth rate of a country. When women participate in the workforce increases the economic growth rate of the country increases. Gender equality increases the overall wellbeing of the nation along with economic prosperity.

Principal Dr. Kamala Dhawale, gave presidential remarks. Dr. C. H. Patil proposed the vote of thanks.

Report

IQAC Initiative, Anti Ragging Club, Anti Sexual Harassment Cell and Legal Aid Club jointly organized an awareness programme - **Consequences of Indulging in Ragging Activities** on 10th November 2018. The programme began with the college prayer led by Miss. Sumati Mahendrakar. Dr. S. V. Hegdal, Programme Coordinator, welcomed and introduced the resource person.

Shri. Sangameshwar, Police Inspector, Dharwad was the resource person. He said that ragging is a practice in colleges, hostels and other educational institutes where the senior or an influential person tends to demoralize and defame the juniors through the means of verbal or physical abuse and harassment.

It has been rightly said that the end may not always justify the means. Behind the façade of 'welcoming' new students to college, ragging, in actuality, is a notorious practice wherein the senior students get an excuse to harass their junior counterparts, and more often than not, make them easy targets to satiate their own perverse sadistic pleasures. Apart from sustaining grievous physical injuries, those unfortunate students who succumb to ragging either develop a fear psychosis that haunts them throughout their lives, or worse, quit their college education even before it begins. For any student who slogs day and night to secure admission into a prestigious college, ragging can be his or her worst nightmare come true. It would not be an exaggeration to say that, today, ragging has taken the shape of a serious human rights violation with even the most respected and disciplined educational institutes falling prey to it.

Principal Dr. Kamala Dhawale, gave presidential remarks. Dr. C. H. Patil proposed the vote of thanks.
