Dear Friends,

Warm greetings from MAMTA – School for Children with Special Needs, Dharwad.

Thank you for inviting the MAMTA family to ASHAKIRANA ... A Ray of Hope to the CSI Auditorium on 10th March 2017. It was such a pleasant way to give a platform to MAMTA's special children (the differently abled)

Surely, the event organized by you gave the awareness needed to make known as members of a responsible society. The dignity you accorded to the special children, the honour you gave the staff and the hospitality you extended is highly appreciated.

We, as members of society, each have a role to play, in acknowledging special children, as God's own special children, having the same needs as other children, namely LOVE, CARE and SECURITY.

Of all God's children, the intellectually disabled are the most innocent ones and need more help from the community. You have taken a step that has brought joy to the special children and to you as well.

MAMTA's 20 years of service has a wonderful story to tell. Parents, whose children are with us, bless us and people like you trust us.

I wish you good luck and a big God Bless You as you move on with life to success.

Yours truly,

Mrs. Tara L. Fernandes
Headmistress
