## **Mentoring Policy**

The College has a well- established Mentoring Policy wherein a group of students are assigned to a particular faculty. The main intent of the mentoring system is to provide a stable and reliable system that supports students and facilitates them to excel in curricular, co-curricular and extra-curricular activities offered both at the college and outside the college. It also provides a conducive atmosphere wherein a student can make utmost of his/ her stay in the College. The mentoring system helps the student learn and adapt to the environment of the College and attain his/her true potential.

## **Why Mentoring System?**

- Student has a well-established support system at time of need, for intellectual, academic and social development
- Psychological support for students
- Help build students' confidence
- Helps students set higher goals and develop interpersonal skills
- Helps students get access to the various resources of the College
- Offers a platform for students to reach greater heights and achieve their full potential

## **The Role of a Mentor**

- The mentor will assist the mentee by offering guidance and constructive suggestions as and when needed
- Mentors will meet their group of mentees at least twice in a semester.
- Mentors will motivate the mentees to set higher goals and encourage them to achieve it.
- Mentors main concern will be toward slow learners. As soon as the first internal test marks are declared, the mentor makes a list of students who have scored less marks and recommend them for remedial classes.
- The mentor will have one to one personal interaction with such students that have problems- social, personal or economic and provide the required solution and guidance.
- Mentor will help students to get the most of the facilities available on the campus.
