Our Vision

Inspired by the love and teachings of Jesus Christ, our temple of learning aims at producing intellectually well trained, morally upright, socially committed, spiritually enlightened men and women for the nation in the contemporary scenario.

In order to translate this noble vision we are committed...

- To motivate students through exposures and experiences to achieve their goals with maximum competency and excellence in all their endeavours with global standards.
- To provide ample opportunities to assimilate knowledge and to interpret it critically and creatively to become beacons for the society and around them.
- To serve as forum for the young people to draw out their potentialities both in curricular and extracurricular activities.
- To inculcate qualities of ideal citizenship and awareness of civic responsibility and to provide experiences to imbibe moral and spiritual values.
- To facilitate guidance and counselling in matters related to personal life, career and social ambient
